Additional References:

- [Association of Women's Health, Obstetric and Neonatal Nurses](#)

The Association of Women's Health, Obstetric and Neonatal Nurses is a 501(c)3 membership organization that promotes the health of women & newborns.

- [The American College of Obstetricians and Gynecologists](#)

ACOG is a nonprofit organization of women's health care physicians advocating highest standards of practice, continuing member education and public awareness of women's health care issues.

#### **Emergency Department References**

- [American Association of Colleges of Nursing, AACN Essentials](#)

AACN is the driving force for innovation and excellence in academic nursing. The Essentials Series delineates the national consensus by providing the elements and framework for building nursing curricula. To facilitate access to the Essentials documents, the AACN Board of Directors voted to have these documents posted on the Web for nurse faculty worldwide to download.

- [Quality and Safety Education for Nurses \(QSEN\) Competencies](#)

The overall goal for the Quality and Safety Education for Nurses (QSEN) project is to meet the challenge of preparing future nurses who will have the knowledge, skills and attitudes (KSAs) necessary to continuously improve the quality and safety of the healthcare systems within which they work.
