

## NurseThink® Testing is the First

We are committed to making sure that ALL of our Clinical Judgment Exams are fully focused on what is needed by today's nurse and subsequently today's student. We offer 45 Clinical Judgment Exams that are nationally standardized and include for faculty an additional 1,400 Clinical Judgment Questions as well.

## Thank you for joining us!

We are grateful you are thinking about how to make Clinical Judgment a part of your program's assessment and learning focus. PLEASE let us know what questions you have – [help@NurseThink.com](mailto:help@NurseThink.com)
